ACTION
Agenda Item G-4
May 21, 2001

Recommendation

The staff recommends that the council approve the proposed amendment to the administrative regulation entitled *13 KAR 2:090. Background

Senate Bill 71 of the 2000 General Assembly requires the council to amend the administrative regulation allowing Kentucky residents who participate in approved foreign exchange high school programs or attend the United States Congressional Page School to apply those credits to their KEES base calculation. The proposed amendment addresses that issue in Section 3 of the regulation.

A public hearing on the proposed amendment is scheduled for May 23 at 10 a.m. at the council office in Frankfort, conference room A. The legislator who sponsored the amendment, the Legislative Research Commission, and other interested parties have been notified of the proposed amendment and the scheduled hearing.

This table can be used to relate SAT I V+M scores to ACT Composite scores. The estimates are based on the test scores of 103,525 students from fourteen (14) universities and two (2) states who took both the ACT and the SAT I between October 1994 and December 1996. Because the ACT and the SAT I have different content, students' actual scores on the ACT could differ significantly from the concordance estimates in the table. Source: ACT, Inc.
